

Alex Chadwick, quien forma parte del [Chicago Music Exchange](#), un local de venta de instrumentos, toca en el siguiente video 100 famosos riffs de lo mejor de la historia del R&R con una **Fender Stratocaster de 1958**. Al parecer en orden cronológico, desde Chuck Berry o Eddie Cochran a Red Hot Chili Peppers y Black Keys, pasando por Rush, Led Zeppelin, Thin Lizzy...

La duración del video es de unos 12 minutos, dedicando tan solo unos segundos a cada tema, lo que es una putada. No importa si echáis en falta otros grandes riffs de guitarra: esta es una lista y las listas son así. De todas formas muy buena la selección e inmejorable sonido.

El video se desarrolla en una sola toma, no se aprecia que el hombre consulte ayuda alguna y actúa sin vacilar. Un auténtico desafío para los dedos superado con matrícula de honor y una lección maestra sobre la historia del Rock.
